## Mother's Joy Only 25c a Jar

MAKES MOTHERS JOYFUL.

No home should be without it. Accept no substitutes. It is made from pure Goose Grease, Mutton Suet, Petroleum Oil, Menthol and other healing ingredients.

### YOU ALL KNOW

Vaseline will not penetrate, and a preparation that is made from it is only beneficial when inhaled. The benefit you get from Mother's Joy Salve is from inhaling and penetration both.

### OUR GUARANTEE.

We guarantee Mother's Joy Salve and G. G. Liniment to do as we represent, when used according to directions. If not satisfied return package to your dealer and he will refund you the purchase price.

### WORDS OF PRAISE

Goose Grease Co., Greensboro, N. C.:  
Gentlemen:—The colored man with his two geese was in town today; he must have made a hit, as we sold every jar we had in the store. Hurry along our order for Mother's Joy Salve. I tried it myself last week on my boy who had a deep cold; relieved him in one night. It is the best pneumonia salve on the market today, as I have used several kinds before, and never had one rubbing to relieve a cold before.  
Yours very truly,  
NASHVILLE DRUG CO.,  
Per Colton.

Goose Grease Co., Greensboro, N. C.:  
Gentlemen:—About two months ago I was taken with a severe cold. I used a number of remedies recommended for colds, but grew worse. My doctor gave me medicine, but with no results. I had awful pains in both sides and was so hoarse I could hardly speak. A friend recommended Mother's Joy Salve. I bought a 25c size jar and used it as directed for three nights, and am glad to say it relieved me entirely. I cannot praise it too highly, for I certainly believe it saved my life.

I am a merchant and now keep it in stock and hand it out to my friends telling them if it does not do as represented I don't want them to pay me one cent, and I have never yet had anyone to come back for their money, but they all say it is the best croup and pneumonia salve they ever used.  
Yours very truly,  
F. A. SCHOOLER,  
Berea, Va.

Goose Grease Company:  
Gents:—My opinion of your G. G. Liniment is that it is a remedy of such great merit that I advise every family to keep it on hand for use when needed.  
R. K. GREGORY, M. D.

Goose Grease Co., Greensboro, N. C.:  
Dear Sirs:—We have used your G. G. Liniment on horses for every disease known and have not failed. We cheerfully recommend it.

Yours truly,  
STANDARD OIL CO.,  
By I. G. West.

Elm City, N. C.

Gentlemen:—We cannot say too much of Rice's wonderful G. G. Liniment. It is a fast seller and gives entire satisfaction; send me four dozen more; I am out and my customers call for it two to four times every day. Please hurry it.  
Yours truly,  
H. C. BRASWELL.

T. B. Waddell, with T. C. Williams & Co., Richmond, Va., writes:  
Gentlemen:—I suffered with rheumatism in back and hips for four weeks; tried good many so-called rheumatic remedies, but experienced no relief until I used Rice's G. G. Liniment.

Gents:—Am pleased to say I sell more Rice's G. G. Liniment than all other liniments combined, and take pleasure in informing you that it gives satisfaction.

Yours truly,  
HOWARD GARDNER,  
Druggist, Greensboro, N. C.

New York City.

Gentlemen:—One application of Rice's G. G. Liniment relieved one of the worst colds on my chest I ever had, and I cannot praise it too highly. Wishing you all manner of success, I remain,

Yours truly,  
LILLIAN MACK, Contralto.

### SPASMODIC CROUP.

Rub freely over chest and throat until difficult breathing is relieved.

### COLDS.

Apply freely as directed in Spasmodic Croup. Keep the room well ventilated. This will tend to strengthen the lungs and nasal passages and aides in preventing the chronic head and chest colds.

### COUGHS, BRONCHITIS, PLEURISY AND LA GRIPPE.

Apply freely over chest and throat, then swallow a piece about the size of two or three peas. In severe cases follow directions for Pneumonia.

In La Grippe use Rice's Grippe Busters.

### CATARRH.

Insert small piece in the nose night and morning, and in severe cases, heat and spray with syringe.

### PILES.

Apply freely night and morning while in a stooping posture, push the tumors well back into the rectum. Wash the parts clean with warm water and keep the bowels open.

## Just Out of Their Boxes The First of the New Spring Millinery

## The Initial Display of this Splendid Assortment

Enticing indeed are the Spring millinery fashions! The shapes themselves are very dashing and smart and the effect produced by the addition of tasteful trimmings is superb.

Small, high shapes, low wide models, high lustre straws, ribbons and dull beads are the outstanding features. Satin and straw combinations are in evidence. There are many novel trimmings such as glazed fruits, black apples, novelty pins and buckles in jet and pearl, maline metal and hair laces and odd shaped feathers.

This principal features are all in evidence on these new models which we introduce tomorrow at exceptionally interesting prices. See them by all means!

## This is What Dr. R. D. Patterson of Liberty, N. C. Says:

"My boy had pneumonia a few days ago, I was using a pneumonia salve on him but he seemed to be getting worse. I got a jar of Mother's Joy Salve and put the whole jar on his throat and chest, according to directions. In one hour's time his temperature was normal, fever gone. I want every father and mother to know this."
